

St. Cecilia's Public School EDITORIAL CLUB ACTIVITY Reading Day (Class VI-VIII)

With much enthusiasm and excitement, the middle wing celebrated reading day-an initiative to help children develop a command over the language and enhance their reading skills. The initiative was undertaken by the teachers to imbibe the habit of reading among them, under the guidance of respected Co-ordinator - Ms. Aarti Parab.

We marked the beginning of the day by seeking the blessings of Lord Almighty. On the occasion of Reading Day, students were briefed about the significance of effective conversation and the need and techniques to develop a command over the language through reading. Firstly, students were made to pledge to make reading a habit. Students of classes VI, VII and VIII were made to read a paragraph from any book of their choice. As they read, they were simultaneously briefed about how to acquire various reading techniques in order to make them improve their reading skills. The event organized, witnessed great levels of excitement and active participation by the students. They depicted great excitement and it was heartening to see the enthusiasm among our children. All in all, it was a fun filled learning experience for everyone involved. A lot of learning and inspiration emerged from the activity planned for every student and teacher involved.
