With the tireless efforts made by all the teachers to organize the celebrations, the children's active participation was the cherry on the cake, in the real sense. The celebrations were organized systematically under the guidance of respected Co-ordinator- Ms. Aarti Parab. We marked the beginning of the day with an amazing virtual assembly by class VII-C. Students eagerly looked forward towards the activities planned and the excitement level of the children was at peak. This was followed by Principal mam's address to the students, guiding students to be proud of their country and understand the true meaning of unity in diversity by preaching the values of brotherhood and peaceful living into our everyday lives. A video presentation related to the significance of Republic Day as well as the importance of Constitution was played to provide significant knowledge to the students. A virtual quiz was organized by the middle wing for classes VI, VII and VIII in which students participated actively. Last but not the least, was the virtual art activity hour. This saw much enthusiasm and excitement among children.

Children presented beautiful pieces of art. They depicted great excitement and it was heartening to see the enthusiasm among our children. They got themselves clicked with great excitement. The pandemic situation in no way lessened the spirit of celebration and the students participated with great enthusiasm. A spirit of pride and respect permeated the atmosphere with students listening to the live streaming by the Hon'ble Prime Minister with the winners of Pradhan Mantri Rashtriya Bal Puraskar2021. Students attentively listened the live webcast and felt encouraged to give their contribution in the growth of their country. It was truly enlightening for all the teachers to see the sparkling faces of children and their excitement level boosted an energy in all.

All in all, it was a truly refreshing and stimulating experience for everyone involved. A lot of learning and inspiration emerged from this experience for every student and teacher involved. The day was celebrated with great gusto and elan.
