

St. Cecilia's Public School Assembly on Road Safety Class II

The Road Safety Assembly held on 9.2.24 was an engaging and informative event aimed at promoting awareness and responsible behavior among students. The assembly began with children sharing crucial do's and don'ts of traffic safety, emphasizing the importance of following traffic rules and being cautious on the roads.

Following this, students enthusiastically presented a series of catchy slogans that creatively conveyed key road safety messages. These slogans were not only educational but also served to capture the attention of the audience, reinforcing the significance of responsible road behavior.

A lively dance performance added an element of entertainment while highlighting the theme of road safety. The choreography skillfully incorporated symbolic movements and gestures to convey the message of being alert, obeying traffic signals, and ensuring pedestrian safety.

The assembly concluded with a solemn pledge, where students collectively committed to practicing safe road habits. The pledge served as a powerful reminder of the individual and collective responsibility each student holds in ensuring road safety. The event successfully combined education, creativity, and participation to instill a lasting awareness of the importance of following traffic rules and prioritizing safety on the roads.
