

St. Cecilia's Public School

'SAY NO TO CRACKERS – CELEBRATE GREEN DIWALI'
AN ONLINE AWARENESS CAMPAIGN
ORGANISED BY ECO CLUB IN SECOND WEEK OF NOVEMBER
FOR CLASSES I TO XII

Eco Club of St. Cecilia's Public School, Vikaspuri, New Delhi organized an online awareness campaign for all the students to celebrate Eco Friendly Green Diwali . Students were encouraged to pledge against burning crackers and spread the message far and wide to illumine everyone's life with good health and healthy environment.

Students made beautiful meaningful posters, wrote thought provoking slogans and presented the pertinent tenet of 'Saying no to Crackers' in an informative yet interesting way. Students actively shared their posters on the online platform to give across a strong message to encourage everyone to be committed to the cause of celebrating Green Diwali.

The Eco Club team beautifully assembled the posters in the form of a video message putting across strongly the need to stand up urgently for the cause. All the students came out together in the cause and pledge to illumine the lamp of good health and prosperity for all and let go the darkness of pollution and ill health away from everybody's lives.

Madam Principal, Madam Coordinators and all the teachers actively supported all the students in this cause and motivated them to be the leaders in this movement against crackers and be the pioneer of celebrating Eco Friendly Diwali.
