

**ST. CECILIAS PUBLIC SCHOOL**  
**COMMERCE CLUB ACTIVITY**  
**SKIT PRESENTATION BY STUDENTS OF CLASS XI C & D1**  
**FINANCIAL LITERACY DRIVE**  
**SKIT PRESENTATION: RAJU AND THE MONEY TREE**

*“Drama and Role Play fuels our creativity, tickles our inner child and nurtures our soul as expression of ideas through play is our brain’s favourite way of learning”.*

Commerce Club of St. Cecilia’s Public School organised a skit presentation and an Art Integrated Learning activity on 18<sup>th</sup> October 2023 in the assembly for students of classes VI to VIII. The activity was organised with the purpose of spreading financial literacy among students. It was based on ‘Importance of hard work and ways of saving funds in various types of bank accounts’.

The story was based on the life of a lazy young village boy who received guidance from elders in his family that money can be earned only by doing hard work and how this hard earned money can be saved in various types of bank accounts as per the need of a customer.

Students were introduced with the features of different types of bank accounts like Saving Bank Account, Current Bank Account, Fixed Deposit Account and Recurring Deposit Account. They were also made aware about ‘**Jan Dhan Khata/ Account**’ which can be operated even with zero balance.

Students of class XI participated enthusiastically in this activity. The efforts of commerce club students through skit presentation were appreciated by Madam Principal, teachers and audiences.
