

St. Cecilia's Public School
'PARTICIPATION IN SWACHH SAGAR SURAKSHIT SAGAR CAMPAIGN'
ORGANISED BY 'ECO CLUB' FOR CLASSES: I TO XII TH

In compliance with Circular no. Acad -99/2022, dated 07.09.2022 issued by the Central Board of Secondary Education., Eco Club of St. Cecilia's Public School, Vikaspuri, urged all its students to actively participate in the diverse online competitions organised at the MyGov portal as part of 'Swachh Sagar Surakshit Sagar Campaign'. This campaign is being led by Ministry of Earth Sciences.

Our country is proud to have a vast coastline of more than 7500 Kilometres. However, litter especially in the form of plastics in the marine environment are a major concern and growing international problem. CBSE has quoted diverse studies that have shown their harmful impact on marine biodiversities, ecosystems and fisheries, human health and economy.

Eco club supported CBSE whole heartedly in its initiative and pledged to celebrate 'International Coastal Clean Up Day' which is celebrated globally on the third

Saturday of September every year. As part of this campaign students participated in diverse competitions organised at the government portal. The range of competitions included Painting, sketching and essay writing on the topic 'Cleaner oceans, better life'. Senior students participated in Poetry, jingle writing and painting competitions on the topic 'Cleaner oceans: Life and living'. Students expressed their creative potential to the fullest and expressed their complete solidarity to the cause.

Madam Principal, Madam Coordinator and all the teachers came out in full support of the students to strengthen this campaign. Students pledged to spread the message of the campaign far and wide.
