

St. Cecilia's Public School

“As we work to create light for others, we naturally light our own way.”

– Mary Anne Radmacher

On 25th May 2023, under their mission of “Joy of Giving”, the Interact club of St. Cecilia's Public School visited Sanjay Gandhi Animal Care Centre, Raja Garden, Delhi and donated one big Air cooler and 75 Kg rice. It is India's oldest and Asia's largest all-animal shelter. As the planet's most vulnerable inhabitants, animals deserve our strongest support. Teachers along with some Class XII students visited this animal shelter and interacted with the staff about how they take care of the animals. The students learnt compassion and kindness towards animals. Students were delighted and felt the joy of giving in its true sense.
