

St. Cecilia's Public School
ACTIVITIES CONDUCTED AS PART OF
'NATIONAL TOBACCO CONTROL PROGRAMME'
BY ECO CLUB
FOR CLASSES I TO XII

In Compliance with Circular no. F.DE.(40) (20)(168)/EVGB/PT.1/2021-22/321-29, Dated 29.07.2025 , issued by Directorate of Education , Educational Vocational Guidance Bureau, GNCT Of Delhi, regarding Tobacco free Educational Institutions, Eco Club of St. Cecilia's Public School initiated an awareness campaign titled 'Say No to Tobacco'.

Students as eco warriors , used the medium of art- posters and slogans to beautifully yet impactfully spread the strong message of eliminating tobacco from the lives of both youth and adults completely. Students realised that tobacco is causing in grave harm to people across diverse ages but the most vulnerable are the school going children. Diverse reasons for people resorting to consumption of tobacco were reflected upon and then shown a strong resolve of eliminating these reasons as the gateways of destroying health and well being. Students raised slogans to give the strong message across in a poetic way. The beautiful colours of the posters added the enthusiastic brilliance of children , expressing their sincere cause to the movement. Eco warriors motivated their fellow students to be an active participant of 'National Tobacco Control Movement' and to stand up for the cause of eliminating the very roots of tobacco from the social soil of our country.

Madam Principal, Madam coordinators and all the staff members supported the students in this noble cause and motivated them to spread the message far and wide, from the realms of school to the wider community.
