

ST. CECILIA'S PUBLIC SCHOOL  
SHOW & TELL ACTIVITY  
NUR-PREP

For the development of oratory skills and building a love for communication and talking, Junior wing organised a Show & Tell activity called 'I am the Best' with the students. The parents were given some reference topics like favourite toy, favourite leader, favourite fruit, favourite actor/actress/person etc. Students picked the topic of their choice and dressed up to perform on their chosen topic. They spoke a few lines and acted out beautifully. All the students participated enthusiastically, praised each other and were applauded by all the teachers and even by each other's parents. The students were very happy with the activity and took part with full interest and excitement. The day was full of fun & frolic and everyone enjoyed the activity together.
