"We are already one. But we imagine we are not. And what we have to recover is our original unity. What we have to be is what we are."

Even the weak become strong when they are united and that is what our Cecilians displayed and learnt about during the G.K. Quiz conducted during activity hour. They learnt about India's diverse culture and the significance of being a united Nation though diverse in its culture, languages, attire etc.

Students depicted active involvement and enhanced their efficiency. It taught them the quality of teamwork and developed a sense of bonding.
