Cecilians visit Vishalgarh Farms to experience the natural bounties, simple village life and manifold adventurous activities

Students of classes VI-VIII experienced the joyous and gleeful excursion to Vishalgarh Farms spread across a 15 acre landscape in Gurugram. More than 400 students were thrilled to experience the fun filled day in the secure supervision of their teachers and comfortable ride of premium quality transport. 7th February, 2024 was marked as a day of learning beyond classroom as students witnessed a day full of fun, physical activities, relaxation, dance, music and much more.

At the onset of the excursion, students were led to enjoy the planned activities – Sports endeavors such as zipline, rope climbing, trampoline, bridge crossing, recreational activities such as live music, puppet show, dance, live village life etc under the able guidance of expert instructors and alert supervision of teachers. Camel ride, bullock cart ride, bird watching triggered harmonious blend of natural joys and living in the hearts of students.

Sumptuous and delicious food prepared hygienically was enjoyed by students and staff. A wide variety of cuisine from North Indian recipes, Chinese dishes as well as fast food were provided to the students. The culinary experience added to the flavors of overall enjoyment of the day.

The school campus echoed with the giggles and laughter of students at their return from a memorable well spent day. The excited students and happy parents expressed their 'thank yous' to Madam Principal for the gracious day.
