Date: 12th August, 2024

"Knowledge is of no value unless you put it into practice."

-Anton Chekov

An intra-school quiz competition was organized by the Quiz Club on 12th August'24. Students from classes VI to VII actively participated in the quiz and demonstrated their intellectual skills to make the event a successful one.

The Quiz theme was based on verbal and non-verbal reasoning which involved analysing and extracting answers from written as well as visual information respectively. Participants were required to demonstrate their problem solving and cognitive skills via logical thinking and visual interpretation to derive the correct answers. The enthusiasm from the participants was unmatched as they approached the quiz with an inquisitive and creative mindset.

The event came to a closure with display of zeal, intellect and mental agility and It was evident that the quiz had provided an enriching platform for students to learn, adapt and improve their reasoning skills.
